January 2010

Dear Parents:

We are busy making plans for our next school year. Enclosed is an Application and all of the details you will need to register for the 2010-11 school year.

The application may be returned on your child's next school day. Pre-Registration is in effect until Friday, January 29th. You may turn in your application at any time; once pre-registration is over we will be accepting applications from the general public.

If you currently have a student enrolled, are a member of the Congregational Church of Batavia, or are an alumni family you are eligible to register during this Pre-Registration period.

We will send you written confirmation once we receive your application.

If you have a friend that would like to register, please request an Application for them. We'll be sure to include the instructions for them regarding the telephone registration that is scheduled for January 30th.

Thanks!
