

Batavia Nursery School  
New Student Birth Certificate

Dear Parents:

As of January 1, 2008 parents who are enrolling a child in a preschool for the first time must present a certified copy of their birth certificate to be kept on file. This new state law (Bill HB0250) requires that parents submit the birth certificate prior to the start of school. We would appreciate it if you could turn in your Birth Certificate prior to the beginning of school. We are able to photocopy it and can return the original to you at our parent meeting in August.

Thanks!
